Familiar Computer Languages/Programs:

C++	ARM	Java	JavaScript	HTML	C	ARM
PHP	CSS	Verilog	Android Studio	MIPS	VIM	Linux

Other Skills

Public Speaking	Time Management	Graphic Design	Event Planning
Collaboration	Microsoft Office	Adaptability	Strong Work Ethic

Education:

University of California, San Diego:

- Major: Computer Science (BS) | GPA: 3.343 | Expected Graduation: June 2018

Leadership/Work Experience

- **UCSD Center for Student Involvement**
 - **Community Service Office Assistant, UCSD — 2016-present**
 - Review, revise, and document paperwork for on campus community service organizations
 - Plan and oversee campus wide service projects
- **Circle K International:**
 - **Vice President of Administration, UCSD — 2016-present**
 - Review, revise, approve/deny, and document paperwork daily
 - Oversees and trains a board of 15 people, delegating tasks and checking up on them via in-person meetings every week to see their progress.
 - Mediates and solves problems in a professional manner
 - **Kiwanis Family Chair, UCSD — 2015-2016**
 - Planned and executed events with up to 400 attendees that promoted community service, networking, and education
 - Helped raise over \$10,000 for charity over the course of a year.

Projects

- **Budgeting App**
 - In a group of 4, my team created a budgeting app for class. This really opened my eyes to what I wanted to do after college, I wanted to create quality products that others will use regularly. For this app, I contributed mostly to the front end, mostly because we didn't have a front end developer in our group. However, I would like to work on both front end and back end code in the future. The app is functional but incomplete, and I hope to continue to update it as time permits.

Relevant Completed Classes

Advanced Data Structures	Software Engineering	Design & Analysis of Algorithm
Intro/Computer Architecture	Intro/Theory of Computation	Interaction Design
Programming Language: Principle & Paradigm	Principles of Computer Operating Systems
